FOR IMMEDIATE RELEASE

Highway 1 in Mill Valley to Reopen on Thursday

Mill Valley – A portion of State Highway 1 in Mill Valley that has been under one-way traffic control will reopen with both lanes in time for the Fourth of July weekend.

Since late April, a segment of Highway 1 at post mile 4.80 has been under one-way traffic control. The closed lane enabled workers to perform emergency repairs to the storm-damaged roadway. Workers have now finished the repairs. Both lanes will reopen on June 30.

Once the holiday weekend is over, crews will begin repairing another storm damaged section of Highway 1 about one mile north of the first project. The second project is expected to last about three weeks. One way traffic control with flaggers will be in effect during weekdays. No work will be done on nights or weekends.

Once the second project is finished, both sections of the highway will be repaved.
